Dear Westminster Communities of Florida residents and team members,

It is with great hope that I write to you at the end of this highly unusual year. Christmastime is a time of hope and joy in the world. So it is appropriate that during the week of Christmas, we are beginning to see that the end of this pandemic is in sight. I am thrilled to share with you that the first groups of Westminster residents and team members are now receiving the COVID-19 vaccine.

We actually have much to celebrate this year. Today, our family is stronger than ever, thanks to all of you. We want to thank our team members for their incredible dedication. We have also seen amazing gifts made to our organization, thanks to the generosity of the residents we serve and their families and loved ones.

This Christmas, we see brighter days ahead. Your spirit has been an inspiration during dark times and helps to spread the joy of the season. Psalm 126 says, "The Lord has done great things for us, and we are filled with joy."

On behalf of our leadership team, we extend our most sincere good wishes for these holidays. May peace, hope, love and joy surround you and yours.

Merry Christmas, happy holidays and a warm New Year to you!

Sincerely,
