

A Prayer for July 6, 2020

Rev. Vickie Bossuot, Chaplain at Riverside Presbyterian Apartments
and Riverside Presbyterian House, Jacksonville

Gracious and Loving Lord, as we lift up our hearts to praise you we admit they are heavy with anxiety and uncertainty. We ask that you send your Spirit to heal our world of this pandemic, the economic fallout and the stress it brings to us all. Be with our residents and staff. May your hand be on all healers and caregivers throughout the world. Bless leaders as they make hard decisions and help us to keep the doors of our hearts open to kindness and generosity for all.

We give you thanks that you have been faithful to us throughout the generations. We hold on to that faithfulness and look with hope to a time when we can again gather to praise your Holy Name.

Amen.
