

*October is Breast Cancer Awareness Month. Our collective voices can inspire hope. Let us share the faith and know we are in this together!*

**A Prayer for October 13, 2020**

Chaplain Patricia Vann, Westminster Gardens, Tallahassee

Gracious Redeemer,

We pause to offer praise, and give you honor. You alone are everything good and true. Our needs are many, and we come to you in faith concerning each matter of our heart.

Great Physician, Heal this earth from plight and disease.

Prince of Peace, Bestow upon us your peace which we so desperately desire this very day. Calm our troubled hearts.

Counselor, speak to our spirits and provide us with your calm and reassurance. May we enter into a personal season of spiritual rest, and follow with confidence, your loving guidance.

Heavenly Father, Your children long for a touch from your loving hands. We receive it right now. Thank You, Father God.

Amen
