

October is Breast Cancer Awareness Month. Our collective voices can inspire hope. Let us share the faith and know we are in this together!

A Prayer for October 20, 2020

Karen Taylor, Resident at Westminster Point Pleasant, Bradenton

O God,

We pause now to offer thanksgiving and praise for the many blessings that have been ours even in the midst of COVID-19. Strength and comfort has been available to us only through Your presence. For those who have been your tangible hands and heart we give you thanks. Team members, administrators, chaplains, chefs, cooks and servers. Therapists, fitness instructors, nurses and doctors. Those who clean, those who drive us when necessary and so much more.

Help us to use our continued isolation as time to reflect on whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable. If anything is excellent or praiseworthy, think on these things.

(Philippians 4:8)

Thank you God for hearing our prayers as we pray in your name.

Amen.
