

### **A Prayer for November 10, 2020**

The Rev. Alan J. Liphart, M.Div.

Pastor, The Village Church At World Golf Village

Gracious Creator, Redeemer and Sustainer, we love you, we adore you and we give thanks for your presence in the midst of our lives.

We thank you for our health care workers and administrators who are taking care of our parents, grandparents and friends. Fill them and sustain them with the power of your Holy Spirit. Thank you for their dedication and willingness to serve. Protect their families as they minister to ours. Walk with them in love as they become the hands, feet and heart of Christ for so many.

Please pour out your healing Spirit upon our families and extended families. While we have been thankful for technology that allows communication, we are more than ready for a hug. Please heal our land, continue the work you began in creation, and once again bring something beautiful out of the chaos of our times.

We pray this in the name of the living Christ, Amen.
